About IPS
|

In Pro Service team of experienced professionals delivers comprehensive customer care to the **“who’s who”** of Azerbaijan’s foodservice, hospitality, retail and property industries. As well as the private sector.

About IPS

We deliver everything our clients need to perform at their very best. That's why we offer complete solutions, including catering and laundry facility design, industrial cooling for retail and a wide range of industries installation, equipment selection, operator training and the best after sales service in the region.

We understand what it takes to provide premium quality commercial foodservice, laundry and retail equipment solutions available to a market that demands the highest standards. Our commitment is always to give unsurpassed service that combines value with performance. Whether our clients need a single piece of equipment or a newly designed and installed complex facility with several specialized areas, In Pro Service brings unparalleled professionalism, extensive equipment offerings, and superior

Vision & Mission

Our Vision

Our vision is to lead the commercial revolution of innovation for the hospitality and tourism sectors by creating the standard of quality for products and services by which all other companies will be measured.

Our Mission

To be the premier provider of equipment and related services for the foodservice and laundry industry. Our aim is not to beat the competitors' prices but to provide complete customer care. This starts with exceeding the customer's expectations and is maintained by continually doing so and establishing a close working relationship in the process.

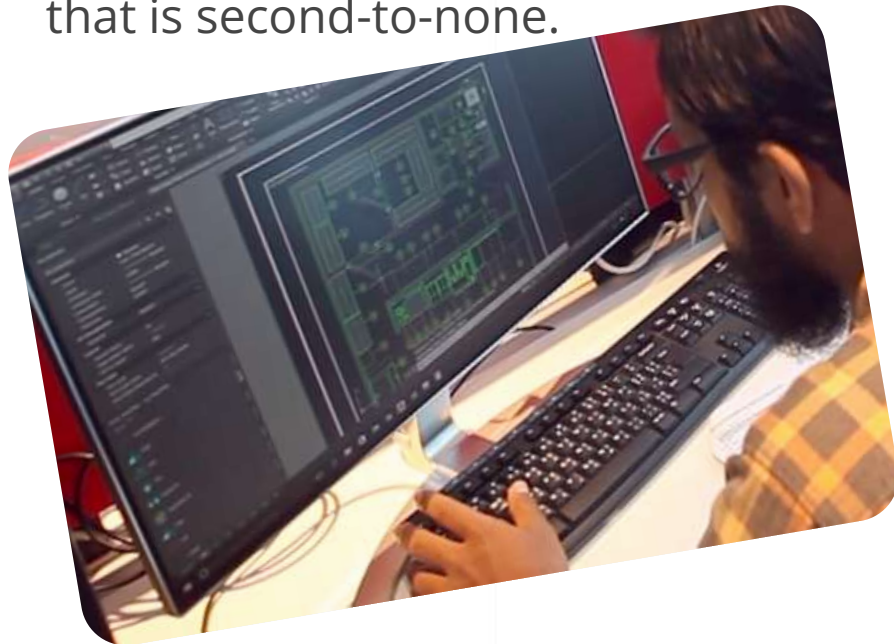

Our Value

At IPS, we believe success comes from supporting our clients by helping them achieve their goals. Their challenges become our own as we work together to create and deliver effective solutions that solve problems whilst providing clients with an industry-grade foundation for growth. Our experienced team of industry professionals stands by each client for the long-term because our relationships are what drive us. That means we are committed to transparency, honesty, and integrity in everything we do.

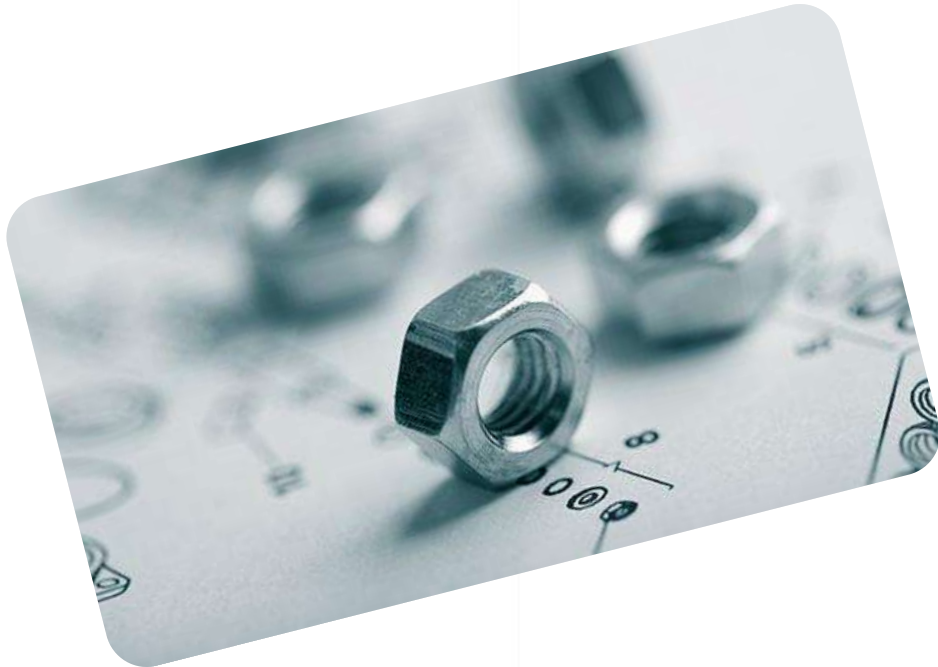

IPS is committed to quality

Every client can be assured that our team of experienced professionals know how to exceed project expectations and conquer any challenge. That's why the majority of our product line is ISO 9000 certified with manufacturers following the highest international quality standards as well as meeting the requirements set by regulatory authorities. Each of our engineers and technicians is expertly trained by our key suppliers to ensure complete competence. Our independent quality management consultant thoroughly reviews both our products and processes to guarantee a client experience that is second-to-none.

Design Services

Our expert personnel work closely with leading kitchen design and management consultants to bring our clients' visions to reality. From simple upgrades to complete commercial kitchen and laundry design, our in-house CAD design department provides quick turnaround with on-point drawings and renderings ready for implementation. By collaborating with our carefully selected associates and suppliers, we deliver the perfect combination of design and function with maximum value and efficiency.

Our Services

Equipment Specification

As dedicated developers of our clients' dreams, we continually monitor the market for the latest in technology and quality standard developments. We believe our experience and exclusive network of trusted brands allow us to give our clients a unique insight into equipment specifications and selection. We work with market leaders and committed specialists who share our enduring pledge to high quality products and services. Our commercial kitchen equipment offerings have flawless records supported by leading catering professionals. Our laundry equipment options can be found in some of the most renowned hospitality chains.

For cold storage requirements, Technical Supplies & Services – we are supplying complete solutions to hotels, catering companies, Supermarkets and the wider commercial market.

Our Services

Project Management

We know our clients need an experienced provider who can guide their projects to completion. That's why we have built customer care into every step of a project's lifecycle. From design to handover, and even operator staff training, we oversee each project with our in-house resources and working partners.

Our clients' satisfaction comes first, so we work to make sure everything is completed on time, within the budget, and per specifications. Whether it's the installation of a few pieces of equipment or a number of specialty pieces, we bring our expert skills and professionalism to the field. For particularly large or complex projects, our full-time project manager is on-site from the start through to handover, ensuring each step meets strict quality standards.

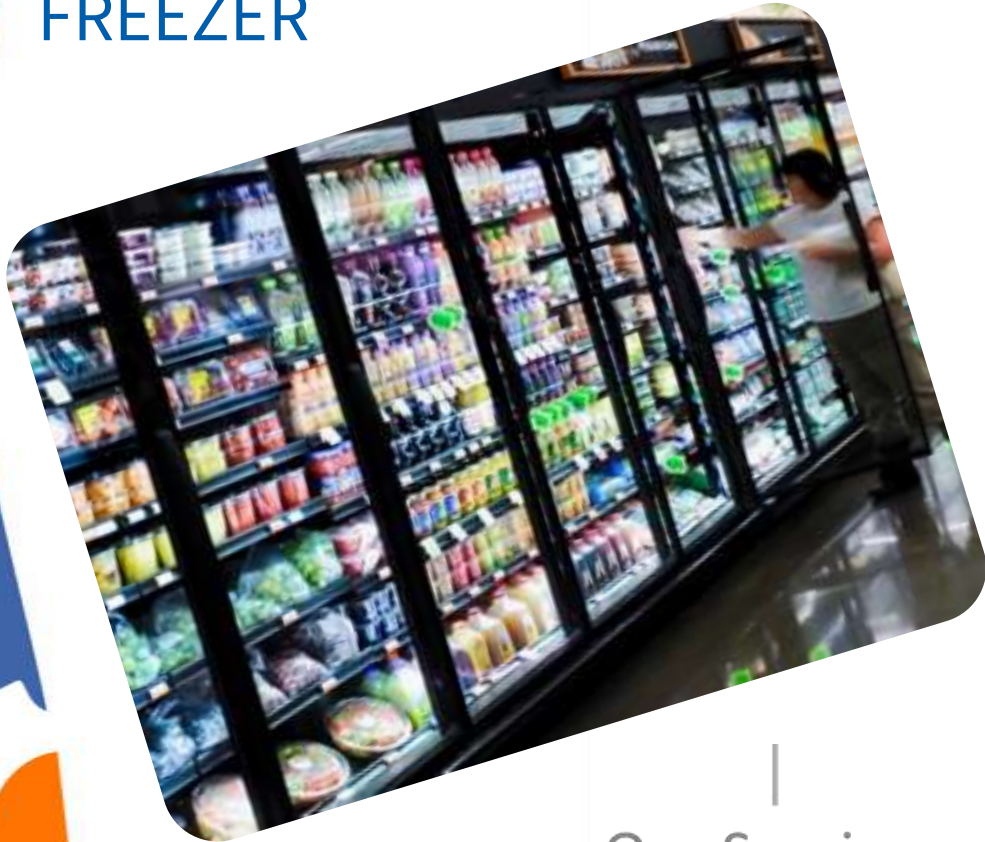

Our Services

Installation & Maintenance

Installation and maintenance require an expertly trained and highly skilled team of professionals. We do this by separating the two departments entirely so that there is full focus on either the installation or the service requirements for any project and or client respectively. Additionally, we train our team at our key suppliers' facilities so that they have the in-depth knowledge and experience necessary to attend to any installation or service with complete efficiency.

Our commitment to aftersales service leads us to be the first company in the region to introduce a toll free number working 24 hours a day for all our customers to attend to any equipment breakdown calls. In addition to this, we have a software that tracks your breakdown from the initial call all the way to the time it is completely repaired.

REFRIGERATION & DEEP FREEZER

QUALITY REFRIGERATION & DEEP FREEZER SOLUTIONS FOR YOUR BUSINESS

At In Pro Service, your needs are our number one priority. We're passionate about the services we provide, and we understand how they play a critical role in the operations and success of your business. The same stands for our commercial refrigeration & deep freezer solutions – from our custom system design to comprehensive installation process, our technicians are committed to getting the job done right with attention to detail. The refrigeration requirements of your business are technical so we take great care to thoroughly walk you through the various aspects that will ensure you won't end up with problems later down the road. Let's talk about your refrigeration needs today!

REFRIGERATION & DEEP FREEZER

Our Services

GROCERY REFRIGERATION SOLUTIONS

Your refrigeration needs are extensive – cooled display cases, commercial refrigeration, and heavy-duty freezers. It's important that your equipment is able to properly handle the necessary refrigeration load, while also maintaining the comfort of your clientele. As a certified True Refrigeration installer, IPS can provide you with reliable equipment solutions for your grocery needs, along with the peace of mind that comes with our specialized repair and maintenance capabilities. We service and install the following equipment:

- ✓ Walk-in Coolers & Freezers
- ✓ Merchandising Coolers and Freezers
- ✓ Open-Air Merchandisers
- ✓ Reach-in Coolers
- ✓ Service Counters and so on

REFRIGERATION & DEEP FREEZER

Our Services

TYPES OF COMMERCIAL REFRIGERATION SERVICE & INSTALLATION

In order to successfully operate any sort of foodservice establishment, it's important that you're equipped with reliable refrigeration facilities. As a certified True refrigeration installer, In Pro Service can advise you on the best equipment choices and set up for your establishment, source the products you need, and install and maintain them. We specialize in a variety of refrigeration equipment

COMMERCIAL REFRIGERATION SYSTEM MAINTENANCE

The last thing you want to deal with is your commercial refrigeration equipment breaking down. Not only can the repair expenses add up if you've failed to maintain the equipment, but a down system can result in product loss. With regular professional inspections and maintenance, you can be sure your commercial refrigerators and freezers stay in optimal shape. Our expert refrigeration technicians help businesses all over Azerbaijan avoid unexpected outages, and when emergencies do happen, our responsive customer service team is on the job to

INDUSTRIAL CLEANING SERVICES

Maintain A Safe & Clean Facility With In Pro Cleaning & Janitorial Service

Whatever you need to be cleaned in your industrial facility – from the front office, the warehouse or the plant floor itself – IPC&JS has the equipment, expertise and experience to get the job done right. Our industrial cleaning experts create a clean and positive environment for your facility and work around your schedule to help ensure your operation stays productive. We also understand the unique safety needs of manufacturing and distribution facilities and customize our training to adhere to your facility's specific safety standards and workflow. We listen to your needs and respond with a [customized plan](#) specific to your facility, scheduled to best fit your business operations. Beyond keeping your facility clean, we help

Food Processing Plants And Facilities

Following proper, approved cleaning and disinfection procedures for your food processing plant is essential. Failing to follow proper procedures could affect the health of your employees and customers, and lead to costly wasted product from cross-contamination. Partnering with IPC&JS means that you will have the expertise of a qualified team of professionals. This focus on detail from our team ensures that your facility is disinfected properly, from heavily trafficked areas in your facility to commonly missed areas where biofilm and foodborne pathogens could form. They will work with you to understand your unique needs, use food safe and/or FDA

Manufacturing Facilities

A clean facility not only helps improve employee morale but also helps keep employees safe. Improper cleaning can result in workplace accidents or illnesses. Keep your team healthy with industrial cleaning services from our highly trained and skilled janitorial specialists.

OFFICE BUILDING CLEANING SERVICES

Make The Right First Impression With A Clean Office Space

Eliminate dust, dirt, unpleasant odors and more from your office building with office cleaning services from IPC&JS . A fresh and pristine office emphasizes professionalism and creates a healthy work atmosphere for your employees. We'll work with you to develop a customized cleaning program for your office that meets your cleaning needs.

OFFICE BUILDINGS

Whether your space is large or small, IPC&JS professionals can transform your dirty office into an immaculate space that boosts employee productivity and morale. Our office cleaning specialists use industry-standard cleaning methods and products to deliver a deep clean that really shines. From lobbies, offices, open office spaces, kitchens, conference rooms and more, we clean it all.

LAW OFFICES

The office cleaning experts at IPC&JS have the experience and training to properly clean areas where legal documents and other sensitive materials are stored.

HOSPITALITY CLEANING SERVICES

Welcome Customers Into A Clean & Inviting Atmosphere

Maintaining a clean and polished image to guests and patrons is critical in the hospitality industry. At IPC&JS, we understand the unique and growing challenges you face and provide the expert support needed to keep your facility pristine with our hospitality cleaning services. From gleaming hard-surface floors and well-maintained carpets to clean guest rooms.

HOTEL CLEANING

Cleanliness is an important driver of customer satisfaction in hotels and resorts. A cleaned and well-kept guest room increases the likelihood that customers will choose your hotel again and recommend it to others. The professionals at IPC&JS have the training and experience to ensure your hotel or resort is properly cleaned to the highest standards of our hotel cleaning services. We'll handle the cleaning in lobbies, guest rooms, employee break rooms, hallways and more.

RESTAURANT CLEANING

It's vital that your restaurant remains clean and sanitary. Poor cleaning practices, especially in the kitchen, could result in health-code violations or illness in customers. Rely on the cleaning experts at IPC&JS to ensure that every area of your restaurant—the dining room, kitchen and even restrooms—is correctly sanitized, disinfected and cleaned with our restaurant cleaning services.

EDUCATIONAL FACILITY CLEANING SERVICES

Ensure A Safe & Disinfected Learning Environment

Educational facilities need to provide a safe, clean and healthy environment for people to learn. Whether it's an elementary school or a university, students should be able to focus on the subject matter at hand and should never be at risk of picking up germs or bacteria. IPC&JS systematic approach to cleaning educational facilities helps protect the health of your students and your staff. From daily cleaning to high-level disinfecting, we offer all levels of service to fit your needs and budget. We'll also help you stay compliant with all regulations and standards.

Our educational facility cleaning experts are backed of experience and understand the unique requirements of these environments. With overnight and weekend cleaning availability, we'll be sure to deliver a safe and healthy facility without ever

PRESCHOOLS & DAYCARES

Young children can easily spread germs, which is why their environments need to be routinely cleaned and disinfected to protect them and others. Ensure daycare centers and preschools are clean, sanitized and disinfected with comprehensive cleaning services from IPC&JS. From classrooms, bathrooms, staff breakrooms, hallways and more, our preschool and daycare cleaning experts can

SCHOOLS

A clean and safe school can help to minimize student and teacher sick days, resulting in a better learning experience for everyone. Keep your school clean and healthy with professional school cleaning services from IPC&JS . Let teachers and students stay focused on learning and leave the cleaning to us.

GOVERNMENT BUILDING CLEANING SERVICES

Let IPC&JS Get The Job Done Right

Government buildings serve the community and with that civic obligation comes a wide range of visitors, responsibilities and potentially heavy foot traffic to the facility. With this much traffic coming and going, you must maintain a clean, safe and healthy environment. At IPC&JS , we recognize that each building is unique and comes with its own cleaning needs. Whether you're in charge of the care and maintenance of a courthouse, public library, police station, fire station or another governmental facility, we'll work with you to create a [customized cleaning](#) and [janitorial plan](#) that meets your needs and your budget

ADVANCED CLEANING METHODS & PRODUCTS

Cleaning government buildings requires thorough techniques that can quickly prepare your facility for visitors and guests. At IPC&JS , we deliver top-quality cleaning results in a timely manner using industry-leading green cleaning products and detailed processes. We can clean at a time and frequency that best suits your schedule and we always adhere to best practices set forth by leading governmental organizations. With our documented inspection systems and electronic timekeeping systems, you can count on consistent quality every time

FITNESS & RETAIL CLEANING SERVICES

Ensure A Clean & Disinfected Experience For Your Guests

First impressions are lasting, and the cleanliness – or lack thereof - of your facility can make a strong impact on your guests. Whether you own or manage a gym or retail store, you must stay on top of your cleaning responsibilities. We are all too aware of how quickly germs and bacteria can spread when the appropriate preventative measures are not taken. IPC&JS is here to help you protect your customers, guests and employees with our fitness and retail facility cleaning services.

FITNESS CENTER CLEANING SERVICES

Gyms can become a hotbed for germs and bacteria. So many people come and go on a regular basis and they aren't always effective at cleaning up after themselves. Fitness equipment, weights and mats need to be cleaned and disinfected frequently to help reduce the spread of germs. IPC&JS has extensive experience cleaning health and fitness facilities of all kinds and understands all their unique requirements.

RETAIL STORE CLEANING SERVICES

Appearances matter. Your retail store needs to look inviting, and the cleanliness is a huge part of that appearance. Our retail store cleaning professionals have specialized experience cleaning retail stores and will make sure your space is always spotless and sanitized. Whether your store is a boutique shop or a multi-floor shopping center, we can customize our services to fit exactly what you're looking for.

EVENT CENTER CLEANING SERVICES

After The Main Event, The Spotlight Is On Us

Whether it's a concert or a sporting event, visitors to your event center deserve a clean, healthy and safe environment where they can enjoy the game, show or performance. IPC&JS has been serving the needs of a wide variety of event centers, including sports stadiums, concert halls and movie theaters. We are a commercial cleaning and disinfection company that specializes in event center cleaning that will keep your spectators and fans safe and protected.

IPC&JS works around your schedule and is available to clean and disinfect overnight if needed. We want to make sure you get the event center cleaning services you need, when you need them. We have real-time technology that allows you to continually communicate with us before, during and after our services, and we can respond with on-demand cleaning for those times when you need an immediate clean-up.

STADIUM & ARENA CLEANING

IPC&JS has janitorial specialists with extensive experience and skills, and they use advanced equipment to clean stadiums and arenas of all sizes. We'll work with you to develop a customized arena and stadium cleaning plan that perfectly accommodates your changing needs and schedule.

THEATER & CONCERT VENUE CLEANING

Amphitheatres, concert halls, small music venues – they all have unique cleaning needs, especially after a packed crowd. Proper theater and concert venue cleaning is necessary to ensure that attendees have a great time and can focus all of their attention on the show. We'll clean your venue to the highest of standards.

RESIDENTIAL FLOOR CLEANING SERVICES

Deep Cleaning For Your Home, Apartment Or Rental Property

We spend a lot of time in our homes or apartments. It's the place we feel most comfortable in, the place we take the time to decorate to show off our unique styles and personalities. And when it's not properly cleaned, it can negatively affect our mood and our health. But with IPC&JS, your home can return to that fresh and tidy space you love. We are a residential cleaning and disinfecting company that will customize our services to meet the needs of your home, whether it's a multi-story house, small apartment or vacation rental.

IPC&JS provides floor cleaning services as well as upholstery cleaning, air duct cleaning and more for homeowners, renters and anyone who wants their home to look and feel its best. We use industry-leading cleaning products, including powerful green cleaners, and advanced deep cleaning techniques that will target germs and bacteria where they hide. Our cleaning and disinfecting services will help protect the health of your home and everyone in it.

MULTI-FAMILY HOUSING

We'll take the time to evaluate your multi-family home or apartment complex to help develop a customized cleaning plan tailored to your needs and budget. When tenants move out, we'll quickly and efficiently clean and sanitize the apartment or rental property so that it's ready for new occupants.

RESIDENTIAL FLOOR CLEANING

We'll clean your floors with the care they deserve. Whether your living room carpet needs cleaning, or the tile and grout in your bathroom needs scrubbing, rely on IPC&JS to deliver. We'll discuss your cleaning needs and create a plan that meets your specific demands and schedule.

BANKS & FINANCIAL INSTITUTION CLEANING SERVICES

Invest In The Cleaning Experts For Returns You Can See

Protect your employees and guests from the spread of germs and bacteria in your facility with our bank and financial cleaning services. IPC&JS specializes in cleaning and disinfecting these types of facilities and understands that they have unique needs and require special attention. Our expert bank cleaning team has industry-specific experience and will target hotspots to minimize the chances of cross-contamination in your financial institution. A clean, safe and healthy environment is essential for all.

OUR BANK CLEANING SERVICES, YOUR SCHEDULE

Our cleaning professionals will tour your facility and discuss your unique requirements and then customize a cleaning plan that perfectly accommodates your needs. We can work around your business hours to avoid disrupting your clients, and we'll schedule our services at a frequency that you prefer. Daily, weekly, monthly – we are here for you whenever you need us.
